

WITNESS USER CONFERENCE 2014 Beyond Modelling

AGENDA

- 8:30 am: Registration Open - Light Breakfast Available
- 9:00 am: **Welcome** – Geoff Hook & Andrew Aitken
- 9:20am **Welcome to the MTC** – Clive Hickman
- 9:30 am: **Strategic use of WITNESS at Rolls-Royce for Designing New Manufacturing Facilities, New Product Introduction and Product In-Service Support** – James Potter, Rolls Royce
- 10:15 am: **Lanner’s Technology Roadmap** – Ian Dabney, Lanner
- 10:30 am: Morning Break
- 10:50 am: **Solving Global LNG Supply Chain Challenges using Simulation** – Hara Papachristou & Phil Spavin, Lanner
- 11:30 am: **The Development of a High Performance Computing (HPC) System and Flexible Simulation Result Analysis tool** – John Ladbrook, Ford
- 12:15 pm: Lunch
- 1:00 pm: **Academic Showcase Featuring: University of Exeter, University of Greenwich, University of Sheffield (AMRC) and Loughborough University** - Chaired by Tony Waller, Lanner
- 2:00 pm: **Simulation Excellence Awards** - Chaired by Tony Waller, Lanner
- 2:15 pm: **Beyond Modelling Workshop Tracks**
- **Predictive Simulation & Management Awareness**
 - **Best Practice for Simulation Experimentation**
 - **Virtual Reality Cave Tours**
- 3:15 pm: **A Man with a Hammer, What Predictive Simulation Will and Will Not Fix!** – Michael Peoples, BAE Systems
- 4:00 pm: **Conference Close**
